CIA INTERNAL USE ONLY

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Monday - 30 July 1962

1. (Unclassified - GLC) At the request of Mr. Boyd Crawford, Staff Administrator, House Foreign Affairs Committee, I went by to see him to discuss Marian A. Czarnecki's request on briefing Representative Edna F. Kelly (D., N.Y.). (See previous Journal items.) Crawford asked that, if possible, we provide some piece of information in response to Mrs. Kelly's request thereby avoiding a flat refusal to Mrs. Kelly. He said if this were absolutely impossible, he would take the matter up with Chairman Thomas E. Morgan (D., Pa.). (See Memo for the Record, dated 30 July 1962, for details.)

2. (Unclassified - GLC) Steve Zagorski, State Department Liaison, called to say the Department has a letter from one of Senator Jacob J. Kavits' constituents which the Senator has forwarded to the Department. It refers to an article in CAVALIER MAGAZINE referring to the Agency. Mr. Zagorski is sending us a copy of the constituent's letter and requests our advice on how the Department should respond.

3. (Internal Use Only - GLC) [redacted] called to STAT
say that as a follow-up to a request from Bill McHale (Senator Smathers' STAT
office) to [redacted] would be meeting tomorrow with McHale. McHale apparently has several individuals that he would like us to talk with. This is an exploratory visit on [redacted]'s part. STAT

Later, in [redacted]'s absence, I called [redacted] and reminded STAT STAT
him of the outstanding DD/P instruction concerning disclosure of information to the Congress. I told [redacted] I wanted him to know that [redacted] STAT STAT
conversation with us should not be construed as giving him authority to pass any information to McHale.

4. (Unclassified - GLC) Left with Senate Foreign Relations Committee the Director's letter to the Chairman on S. 3439, to provide for one additional Assistant Secretary of State.

5. (Unclassified - GLC) Left with Miss McShan, on the staff of the Senate Internal Security Subcommittee, several [redacted] items on a speech STAT
by Mikoyan in Cuba in 1960.
